Design Project Critique

1.

2.

3.

4.

5.

For Craig Kunce's Classes

Have two people in the graphic design field critique your design work.

Hand in this completed form with a color print of your design work.

I want you to begin to build your own professional network to critique your design work. Other

graphic design students, professional graphic designers you know, and AI.		
Student Name:		
Design Project:		
Message:		
Audience:		
Design Style: Where and how your design will be used:		
Who critiqued your	work (Names):	
1)	2)	3) AI (ChatGPT, other)
Summarize the feedback you received into five main points:
